FEES:

Paying fees has become a problem at our center. Our policy clearly states that fees are due on the 1st of each month. A late charge of \$50.00 will be applied to fees that are late after the 1st. Also, parents **MUST** submit at least six (6) months of post-dated cheques. This policy will be enforced to ensure that fees are paid on time.

If your fees become more than two (2) months in arrears on your account, your children cannot be accepted to Tigger's until **all** fees are paid.

If there is a problem with your fees, please call Raymonde to resolve any hardship you maybe having.

SUBSIDIES:

Also, parents on subsidy **MUST** be responsible to renew their applications **BEFORE** the expiration date.

This is also becoming a problem at our center. If the subsidy is not renewed within the month it has expired, you will be expected to pay the full amount until it is renewed.

Thank you for your cooperation and support.

DISCIPLINE POLICY

Discipline involves the continuous process of guiding behavior that is nurturing and positive in each child.

1. Establish Clear, Consistent and Simple Limits.
-statement of what behavior will be acceptable.
2. Offer Straightforward Explanations for Limits.
-children understand the reasons or rationale for limits.
3. State Limits in a Positive, Rather than Negative Way.
4. Focus on the Behavior, Rather than on the Child.
5. Make Statements of Expectation, Rather than Pose Questions.
- make a clear statement of what is expected.
6. Allow Time for Children to Respond to Expectations.
- give children a warning call to prepare when to clean up.
7. Reinforce Appropriate Behavior BOTH with Words and Gestures.
8. Gain a Child's attention in a Respectful Way.
- approach children individually, state their name, establish eye contact and use a calm, controlled voice.
9. Use Proximity and Touch
- move close to a child. Putting an arm around a child or holding a child can serve as effective guidance and intervention.
10. Reminders are helpful to children.
11. Acknowledge Feelings Before Setting Limits.
12. Model Problem-Solving Skills
- following the steps of problem-solving helps children learn the process involved.
13. Offer Appropriate Choices
- the choice should be posed in a non-threatening and non-punitive way.

14. Use Natural and Logical Consequences.
15. Redirect
 - children should be redirected to activities that are in line with their needs.
16. Limit the Use of Equipment
17. Provide Opportunities for Children to Make Amends.
18. Time Away
 - in using this strategy, the attitude of the caregiver must ensure a positive learning experience
 - explain what “time away” means and what it involves.

MEANING: Persistent refusal to abide by the rules of safety for self, others and environment may, on occasion, require that a child be removed from the situation.

- Locate the time away place within the play space, but far enough removed from the general activity.
- Alternately, allow the child to determine when he or she is ready to re-enter the play.
- Time away is no more than one minute of time per year age of the child. In a preschool setting, this should never exceed five minutes.
- Refrain from discussion, nagging, arguing or moralizing.
- When time is finished, positively reinforce the first appropriate or acceptable behavior of the child.
- Used cautiously and only when all other strategies have been proven ineffective.

It is our hope that discipline in this fashion will help your child to be happy and well adjusted to his/her surroundings, as well as help the child to have a concept of self-respect and respect for his/her parents and caregivers.

Thank you

CHILD RELEASE FORM
Tigger's Too Playschool

1) LATE PICK UP

If a guardian has not picked up a child or has not called by 5:30pm the caregiver will try to contact the family and then alternative person/s from the authorized pick up list. If that person is unavailable and the parent has not contacted the caregiver by 6:00pm, the caregiver is required to notify the Ministry for Children and Families. A late fee of \$20.00 will be applied for each child picked up after 6:00pm. If late pick up is an ongoing problem and reasonable effort has been made by staff to solve it, then notice of termination of service may be given.

2) UNAUTHORIZED PICK UP

The guardian is required to notify the caregiver in writing if someone else will be picking up the child. If the caregiver does not know the person picking up the child, information about the person will need to be provided (name, phone number, physical description). The person will be asked to show photo identification. If an unauthorized person arrives to pick up a child, the child will remain under the supervision of the caregiver. The caregiver will speak to the individual and explain the policy that no child will be released without written authorization from the guardian. If difficulties arise, all reasonable efforts will be made to ensure the safety of the child and other children. If necessary, the police will be called for assistance.

3) ALLEGED IMPAIRED PICK UP

It is the caregiver's responsibility, to the extent that it is possible, not to release a child to an authorized person who is unable to adequately care for a child. If the caregiver believes that a child will be at risk, the caregiver will offer to call a relative or friend to pickup the person and child or offer to call a cab to pick them up. If the person is driving a vehicle, the caregiver will explain that driving while under the influence of drugs or alcohol is against the law and that the caregiver is obligated to ensure the safety and well being of the child. If the presumed impaired person chooses to get in the car with or without the child, the caregiver will immediately notify the police and provide description of the car and geographic vicinity. If the caregiver believes that the child is in need of protection, the caregiver will call the Ministry for Children and Families.

4) CUSTODY AND RELATED COURT ORDERS

If a custody or court order exists, a copy of the order needs to be placed in the child's file. The guardian is responsible for providing accurate and up to date information concerning the legal guardianship of the child. Without a custody or court order on file, the caregiver cannot deny access to the non-enrolling parent. If the non-enrolling parents are not listed on the authorized pick-up list, the policy on unauthorized persons will be implemented. The guardian will provide all consents.

Parent Awareness Protocol in Case of Emergency

Because our center is located in an earthquake-prone area, we want to remind you that, in the event of an earthquake occurring, the following procedures will be followed:

No child/ren will be dismissed from the center unless a parent (or guardian designated by a parent) comes for him/her.

No child will be allowed to leave with another person, even a relative or babysitter, unless we have written permission to that effect, or that particular person is listed on the child's emergency card in our files. With this in mind, if your child's card is not up-to-date, please request a new card from a staff member.

All parents or designated guardians who come for children must sign them out. Signs will be posted (indicating where) if this is an alternate location that is being used.

We are prepared to care for children in the event of a critical situation or if parents are not able to reach the center. We have a number of people with first aid certificates and will be in communication with local emergency services. We do ask for your help in the following areas:

- **Upon registration you will be asked for \$10.00 to go towards emergency supplies to enable us to care for your children in the event of an emergency situation. (This is not part of the fee and is non-refundable).**
- **Please always keep emergency numbers current and eligible. Any changes in phone numbers are to be reported immediately to the staff.**
- **Please do not call the center; we must have the lines open for emergency calls. We will call you if it is safe to do so.**
- **Following an earthquake or other emergency, do not immediately drive to the center. Streets and access to our center may be cluttered with debris and the center access route and street entrance to our center must remain clear for emergency vehicles.**
- **Do turn your radio on; information and directions will be given over the radio.**

CHILD ABUSE POLICY

We are required **BY LAW** to report any suspicion and/or disclosure of child abuse or neglect to the proper authorities.

Our responsibility is to report suspicions or disclosures, not to determine if abuse has occurred.

It is the responsibility of the Ministry for Children and Families to investigate and decide if the child needs protection.

Reporting procedures are designed to protect the child. Our concern is the safety and well-being of the child. We are not permitted to contact the parent unless specifically directed to do so by the Ministry for Children and Families, or the Police.

NOTE: IF YOU HAVE ANY CONCERNS OR DIFFICULTIES DEALING WITH YOUR CHILD AND NEED ASSISTANCE, WE WOULD BE PLEASED TO TALK WITH YOU AND HELP ARRANGE ADEQUATE SUPPORT.

Symptoms Which Require Children to Be Excluded from Child Care Facilities

Parents should be advised to keep their children at home or to seek alternate care arrangements for the following conditions:

- Pain - any complaints of unexplained or undiagnosed pain.
- An acute cold with fever, runny nose, and eyes, coughing and sore throat. Once temperature, well-being and energy are normal, coughing, and runny nose may continue (depending on the suspect illness) without the child being contagious. (If symptoms are caused by a known allergic reaction, the child is not contagious).
- Difficulty in breathing - wheezing or a persistent cough.
- Fever (100 F/38.3 C or more) accompanied by general symptoms, such as listlessness, may be an early sign of illness that requires a physician's attention.
- Sore throat or trouble swallowing.
- Infected skin or eyes or an undiagnosed rash.
- Headache and stiff neck - Should see physician.
- Unexplained diarrhea or loose stool combined with nausea, vomiting or abdominal cramps. These symptoms may indicate a bacterial or viral gastrointestinal infection, which is very easily passed from one child to another. The child should be kept home until all symptoms have stopped.
- Nausea and vomiting may be an early sign of illness that requires a physician's attention.
- Severe itching of body and scalp.
- Children with known or suspected communicable diseases.

It is required to keep (or take) a child home when the child:
